SEAGATE HDD Server Exos 10E2400 512E4K  
(2.5600GBSAS12Gbs10000rpm) ( ST600MM0099  
)

Šifra: 12218  
Kategorija proizvoda: SERVERSKI DISKOVI  
Proizvođač: SEAGATE

Cena: **20.580,00** rsd.

|                                            |                                                                                         |
|--------------------------------------------|-----------------------------------------------------------------------------------------|
| Device Location:                           | Internal                                                                                |
| Form Factor:                               | 2.5"                                                                                    |
| Storage Capacity:                          | 600 GB + SSD 16 GB                                                                      |
| Supports Data Channel:                     | SAS                                                                                     |
| Swap Capability:                           | Cold                                                                                    |
| Installed Cache Memory Storage Capacity:   | 256 MB                                                                                  |
| Cylinders Quantity:                        | 1                                                                                       |
| Heads Quantity:                            | 2                                                                                       |
| Rotational Speed:                          | 10000 rpm                                                                               |
| Average Rotational Delay:                  | 2.9 ms                                                                                  |
| External Data Bit Rate:                    | 12 Gbps                                                                                 |
| Non-Recoverable Errors:                    | 1 per 10 <sup>16</sup>                                                                  |
| Hard Drive Features:                       | Seagate Instant Secure Erase<br>Self-Encrypting Drive (AES-256)<br>Advanced Format (AF) |
| Shock Tolerance Operating:                 | 40G @ 11ms                                                                              |
| Shock Tolerance Storage:                   | 400G @ 2ms                                                                              |
| Vibration Tolerance Operating:             | 0.5 @ 5-500Hz                                                                           |
| Vibration Tolerance Storage:               | 3G @ 5-500Hz                                                                            |
| SAS:                                       | 1                                                                                       |
| Maximum Supply Voltage:                    | 12 V                                                                                    |
| Minimum Supply Voltage:                    | 5 V                                                                                     |
| Maximum Power Consumption:                 | 7 W                                                                                     |
| Maximum Operating Ambient Temperature:     | 55 °C                                                                                   |
| Minimum Operating Ambient Temperature:     | 5 °C                                                                                    |
| Maximum Non-Operating Ambient Temperature: | 70 °C                                                                                   |
| Minimum Non-Operating Ambient Temperature: | -40 °C                                                                                  |
| Depth (mm):                                | 100.45 mm                                                                               |
| Height (mm):                               | 15 mm                                                                                   |
| Width (mm):                                | 70.1 mm                                                                                 |

Cene su informativnog karaktera. Prodavac ne odgovara za tačnost cena iskazanih na sajtu, zadržava pravo izmena cena. Ponudu za ostale artikle, informacije o stanju lagera i aktuelnim cenama možete dobiti na upit. Plaćanje se isključivo vrši virmanski - bezgotovinski.
