Specifikacija

The BRICs LCD Series UPS offers home and small office users clean and stable battery backup while the featured RJ11RJ45 port ensures phone, fax, and modem lines are protected from surges. With Automatic Voltage Regulation (AVR) stabilizes the AC signal and maintains a safe voltage, this allows the UPS to maintain safe power levels for the connected equipment without resorting to battery power. The multifunction LCD readout provides immediate access to precise information of critical power/battery condition. For convenient mounting, these units can be installed in either a horizontal or wall-mounted placement to make the most of your space. The included PowerPanel® Personal Edition management software showcases the feature rich abilities such as input/output power/voltage readings, self-diagnostics, and approximate battery backup time. With the Energy-Saving Technology, the BRICs LCD Series UPS can save up to 75% of electricity therefore save your electricity expenses.
