## Matična ploča AM4 Biostar B550MH DVI/DP/HDMI/M.2

Šifra: 17680

Kategorija proizvoda: MATIČNE PLOČE ZA AMD SOKET

Proizvođač: BIOSTAR

Cena: **9.010,00** rsd.

|                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| Podržani procesori:         | Socket AM4 support AMD 3rd Gen Ryzen™ (Matisse Renoir) processors and Ryzen™ 4th Gen (Vermeer) processors Support for future AMD Ryzen processors with BIOS update                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Podržana memorija:          | DDR4                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Memorija:                   | 4th Gen AMD Ryzen Processors (Vermeer CPUs Future APUs): Supports Dual Channel DDR4 4400+(OC) 4000(OC) 3800(OC) 3600(OC) 3200 2933 2667 2400 2133 3rd Gen AMD Ryzen Processors (Matisse CPUs): Supports Dual Channel DDR4 4400+(OC) 4000(OC) 3800(OC) 3600(OC) 3200 2933 2667 2400 2133 3rd Gen AMD Ryzen with Radeon Graphics Processors (Renoir APUs): Supports Dual Channel DDR4 4933+(OC) 4800(OC) 4600(OC) 4400(OC) 4000(OC) 3800(OC) 3600(OC) 3200 2933 2667 2400 2133 2 x DDR4 DIMM Memory Slot, Max. Supports up to 64 GB Memory Each DIMM supports non-ECC and ECC Un-buffered 8 16 32 GB DDR4 module |
| Integrisana grafička karta: | By CPU model Supports DX12 Supports HDCP                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Slotovi za proširenje:      | 1 x PCIe 4.0 3.0 x 16 Slot: Supports PCIe 4.0 x 16 mode with AMD Ryzen™ processors. (Matisse only) Supports PCIe 3.0 x 16 mode AMD Ryzen™ with Radeon Vega Graphics processors. (Renoir only) 2 x PCIe 3.0 x 1 Slot                                                                                                                                                                                                                                                                                                                                                                                            |
| Storage:                    | 4 x SATA III Connector (6Gbs) : Supports AHCI & RAID 0, 1, 10 1                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

x M.2 (M Key) Socket: Supports M.2 Type 2242 2260 2280 SSD module Supports PCIe 4.0 x 4 (64Gbs) 3.0 x 4 (32Gbs) Supports SATA III (6.0Gbs) SSD \* M.2 (M Key) Socket (M2\_PCl-e-SATA1): The bandwidth is depended on CPU. Supports PCIe 4.0 x 4 (64Gbs) speed, which depends only on Ryzen 3rd Gen Matisse.

Mrežna karta: Realtek RTL8111H 10 100 1000 Mbs auto negotiation, Half Full duplex capability Supports Super LAN Surge Protection

Zvučna karta: ALC887 7.1 Channels, High Definition Audio, Hi-Fi (Front)

USB: 8 x USB 3.2 (Gen1) ports (4 on rear IOs and 4 via internal headers) 6 x USB 2.0 ports (2 on rear IOs and 4 via internal headers)

Konektori na zadnjoj strani: 1 x PS2 Keyboard 1 x PS2 Mouse 1 x HDMI Port 1 x VGA Port 1 x LAN port 4 x USB 3.2 (Gen1) Ports 2 x USB 2.0 Ports 3 x Audio Jack

Interni konektori: 4 x SATA III (6.0Gbs) Connectors 2 x USB 2.0 Header (each header supports 2 USB 2.0 ports) 2 x USB 3.2 (Gen1) Header (each header supports 2 USB 3.2 (Gen1) ports) 1 x 8-Pin Power Connector 1 x 24-Pin Power Connector 1 x CPU Fan Connector 1 x System Fan Connector 1 x Front Panel Header 1 x Front Audio Header 1 x Clear CMOS Header 1 x Internal Stereo Speaker Header 1 x COM Port Header
