## Napajanje CTG-650C-A80 650W Chieftec

Šifra: 20008  
Kategorija proizvoda: NAPAJANJA  
Proizvođač: CHIEFTEC

No Image Available

Cena: **10.500,00** rsd.

|                                     |                                        |
|-------------------------------------|----------------------------------------|
| Tip:                                | Semi-Modularno                         |
| Oblik (Form factor):                | ATX (PS2)                              |
| Izlazna snaga:                      | 650 W                                  |
| Efikasnost:                         | do 85%                                 |
| PFC:                                | Aktivno                                |
| 20+4 pin:                           | 1                                      |
| 8(4+4)pin EPS 12V::                 | 1                                      |
| PCI-e 6+2 Pin:                      | 2                                      |
| SATA:                               | 6                                      |
| Molex 4 pin:                        | 4                                      |
| Floppy:                             | 2                                      |
| +3.3V:                              | 22A                                    |
| +5V:                                | 22A                                    |
| +12V1:                              | 26A                                    |
| +12V2:                              | 26A                                    |
| -12V:                               | 0.,A                                   |
| +5Vsb:                              | 2.5A                                   |
| OVP (Over Voltage Protection):      | Da                                     |
| UVP (Under Voltage Protection):     | Da                                     |
| OPP (Over Power (Load) Protection): | Da                                     |
| SCP (Short-Circuit Protection):     | Da                                     |
| AFC (Automatic Fanspeed Control):   | Da                                     |
| Prečnik ventilatora:                | 12 cm                                  |
| Dimenzije:                          | 140 mm x 150 mm x 87 mm                |
| Ostalo:                             | Nivo buke: 24dB Standard ATX 12V v.2.3 |
